INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR 1.97(b)

There is enclosed a German Search Report citing six references. Copies of the references are enclosed along with a PTO 1449 form formally making them of record.

DE 31 35 709 has been cited in Category Y: as a reference which places in question the level of invention together with another reference and in Category A: general state of the art, technological background for the subject matter claimed and illustrated. All of the remaining references are cited in Category A: general state of the art, technological background except for EP 0 122 367 A2 which is cited as a reference already mentioned in the specification.

Since this Information Disclosure Statement is filed prior to the initial action on the merits, neither a fee nor a certification is required.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
